<h3>Highland Medium Roast</h3>
Balanced and nutty, with a soft caramel finish. Our most popular everyday blend.

We started with one roaster and a lot of stubbornness.
Terra Coffee Co. opened in 2019 with a single drum roaster and a belief that coffee tastes better when you know exactly where it came from. Today we work with six farming cooperatives across three countries, and we still roast everything ourselves, in small batches, every week.
Come say hi.
